

Dear Potential Candidate,

The school year is well underway which means the next Athletes of the Year are about to be recognized. There could be a special student-athlete attending your school, in your class, or....it could be YOU!

Huntsville Hospital Sports Center and The Orthopaedic Center Sports Medicine are searching for the 2023-2024 Athlete of the Year. We were looking for male and female student athletes who excel in all areas.

Each nominee must be a high school senior, outstanding scholar athlete with a minimum 3.5 GPA. They should have a history of academic and athletic accomplishments, as well as community and/or civic involvement.

Applications are submitted on-line, and a panel of judges chooses four weekly winners each month throughout the school year. Each Athlete of the Week winner is eligible for one of two \$1,000 scholarships that will be awarded at the Athlete of the Year Awards Banquet in May 2024.

Winners are announced through our social media accounts. Feel free to stay connected with Huntsville Hospital and TOC Sports on Facebook, Twitter and Instagram for updates and announcements.
